# WHAT WE DO

Website Design &  
Development

Digital Marketing

Mobile Solutions

Domain Name Registration &  
Web Hosting Registration

Content Creation

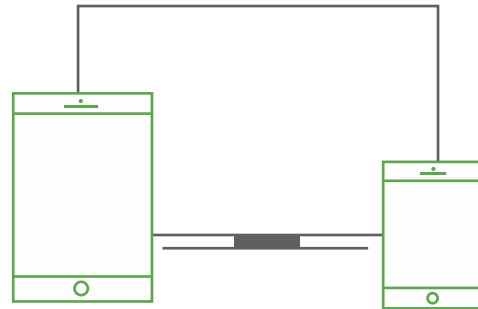

Support &  
Maintenance

# WEBSITE DESIGN & DEVELOPMENT

We are idea-driven, working with a strong focus on design and user experience. Your project should engage your audience, we want to create wonderful digital solutions that people love to be part of and use. That's what your brand and audience deserve. Unique interactive experiences that communicate clear brand messages and drive engagement and action.

We see technology as a creative discipline. Be it web development, mobile solutions or digital product development, we know how to use state-of-the-art technologies to bring your digital projects to life.

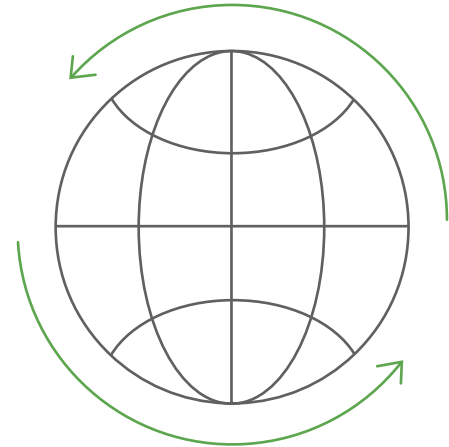

- › User Interface Design (UI)
- › Web Development
- › Content Management Systems
- › E-Commerce Solutions
- › Responsive Web Design
- › Quality Assurance
- › E - Catalogue

# DIGITAL MARKETING

Digital marketing is about one thing - RESULTS. Getting more traffic to your website, more conversions, more ROI. We can do that by engaging with your audience, effectively, in many different ways.

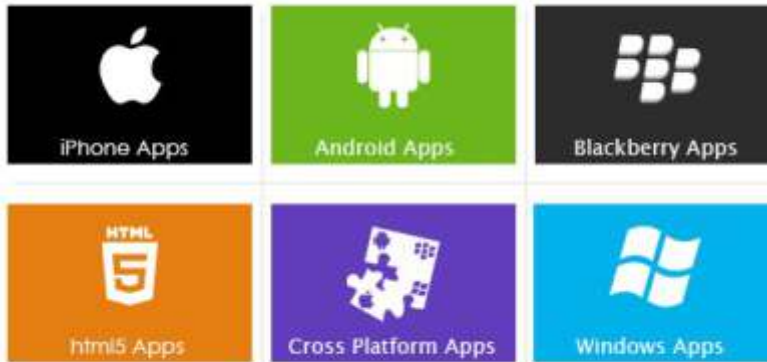

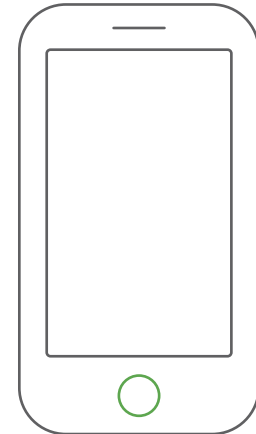

- > SEO & SEM
- > SMS Marketing / Bulk SMS
- > Email Marketing / Bulk Mail
- > PPC Strategy & Adword
- > Social Page Promotion

# MOBILE SOLUTIONS

Mobile internet access is set to pass desktops by 2014, which is why everything we do today either begins with a mobile strategy or has significant mobile components and integration.

- > Mobile Websites
- > Mobile Applications  
( Android App / iOS App/ Windows App)

# DOMAIN NAME REGISTRATION

ATWAPL HOST is India's leading ICANN and .IN Accredited Domain Name Registrar with over 850+ direct business customers. ATWAPL HOST sells Domains (.com, .in and 40 more domain extensions) at highly competitive rates compared to other registrars in the Domain name business. You can get the best deals, special offers and cheapest domains by tracking our Hot Deals section. Every Domain Name you register comes with a 10 free Sub Domains, Free Domain/URL Forwarding, Free Domain Theft Protection, Free DNS Management, Free 24x7x365 telephone & web support and Free Domain Privacy Protection (coming soon). ATWAPL HOST also provides an easy and hassle free domain transfer service, to help you transfer your domain from your existing registrar to ATWAPL HOST and lower your cost.

# WEB HOSTING REGISTRATION

ATWAPL HOST is India's largest Web hosting service provider, with over 750+ websites hosted on our servers. We offer high quality, low cost website hosting services catering to individuals and businesses of all sizes. Be it a starter site for a professional/freelancer OR advanced managed hosting solutions for large enterprises/portals, we have a web hosting service in India to fit all needs. Every web hosting pack comes with TRULY Unlimited Data Transfer, Backup, 10 free Subdomains, Free 24x7x365 telephone & web support and a host of supported applications for free such as Wordpress Blogs, Photo albums, Shopping Carts, Chat, Social Networking and more. All sites are hosted in our own state of the art data centres in India, with multi-redundant connectivity to the Internet backbone and domestic networks. CPanel hosting, Parallels Plesk and Fantastico Control Panel will be available soon.

# BUSINESS EMAIL HOSTING

ATWAPL HOST is the undisputed leader in business class email services in India. We serve over 1.9 Million Emails, starting from a professional/small business to managed email and messaging solutions for large enterprises. All our business email accounts come with free anti-virus and anti-spam protection. We also provide Customizable webmail, Email on mobile (incl. Blackberry and Windows mobile) and advanced corporate admin controls with our Email Hosting services. All business emails come with Unlimited Free Email Forwarding, Unlimited Data Transfer, Free Anti Spam and Anti Virus and 24x7x365 telephone & web support.

# PERSONALIZED EMAIL

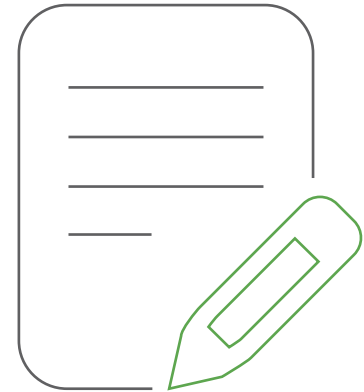

ATWAPL HOST is the first choice when looking for email hosting services in India. Don't be part of the crowd and use long string email addresses with numbers and weird characters, get your own personalized email id on your own domain. This makes it super easy for friends, customers and colleagues familiar with your domain name to remember your personal email address. More importantly it is much cooler, what would you rather have: Ayush\_1990@coldmail.com or Ayush@Jain.com ATWAPL HOST's hosted email addresses are easy to setup, use and manage; super fast, highly reliable, secure and configurable in almost all mobile devices and cost ONLY Rs 17 per month.

# CONTENT CREATION

The web is really all about content. Engaging, arresting, compelling content. It's what people and search engines are looking for. It's what drives visitors to your website and turns prospects into leads. You should have efficient, searchable, accessible and multi-platform content. We create it all, and we create it with brains and beauty.

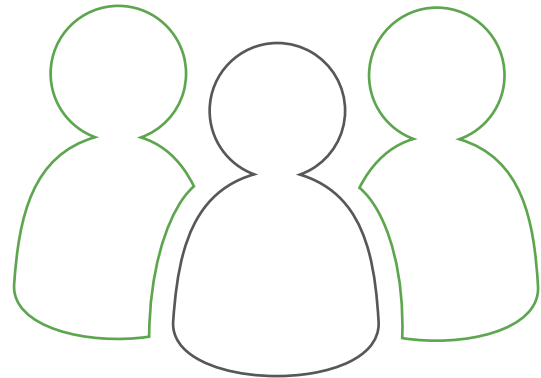

- > Copy & Translations
- > Video & Motion-graphics
- > Imagery & Info-graphics
- > Audio, Games and more...

# SUPPORT & MAINTENANCE

Once your website goes live that's not the end of our relationship. Websites never truly stop growing, they're always in flux, adapting to market conditions and business strategy. We're here to help and support you along your journey in any way we can.

- > Technical Support
- > Priority Customer Support 24/7
- > Help and Advise
- > Support On Live Chat
- > Instant Response
